Montclair Kimberley Academy Transportation for the 2017-2018 school year

Welcome to Station Wagon Service! We are delighted to provide door-to-door transportation to MKA. The rates for the upcoming year are detailed in the attached schedule.

In order to register for bussing for the upcoming year we ask that you complete the attached *Transportation Agreement Card* and mail it together with your payment to our office address. If your payment is not included, your registration will be returned to your, delaying assigning your student(s) to a route. Payments should NOT be sent to MKA.

Families can elect to pay for in one or two installments. The initial payment is due with your registration on or before July 1, 2017, and the balance is due before December 30, 2017. One-way transportation is also available; please call the Kathy in the office for further information.

At the beginning of September, you will receive a card indicating the approximate time of your morning pick-up. As our bus routes are refined in the first weeks of school, this time may be altered. Once routes are running smoothly we ask that parents have their student(s) ready to board the bus FIVE (5) MINUTES BEFORE THE SCHEDULED ARRIVAL TIME. The maximum time a bus will wait at a stop is 2 minutes, so it is important that your student is ready to leave. Please note that our buses pick-up and return students to the curb in front of your home.

Many municipalities provide a reimbursement of \$884.00 for students who meet a distance requirement and who attend a non-public school. Please contact your local Board of Education Office for details. Reimbursement forms are available on the back to school section of the MKA web-site.

Please note that the dismissal routing schedule will be to the address designated on the *Transportation Agreement Card*. If the afternoon address will be different from the pick-up location, please notify us, however, both addresses must be the same each day. We cannot accommodate special requests for transportation to different locations, once or twice a week.
