1. Do you have a passport that does NOT expire on or before July 13th, 2020? _____
IF SO, PLEASE BRING IN A COPY WITH THIS REGISTRATION FORM.

2. Have you travelled abroad before? Please explain briefly.

3. Do you have any potential scheduling conflicts that could impair your ability to participate fully in the program?
(i.e. school activities, personal commitments, athletic team travel etc.)

- Upon receipt of this form and acceptance of application, **you will be billed \$1,400**. Payment of this full trip cost must be made by or on January 10th, 2020 to reserve a spot on this trip.
- **Completing this form is a commitment to the trip and to pay the full cost of the experience.** Due to the early departure of this trip there will be NO grace period to withdraw w/o financial penalty (excluding injury or illness).
- All students attending trips must have their accounts with the school in good standing.
- The final trip cost may fluctuate marginally due to currency exchange rate, the ongoing availability of quoted fares, and the size of the group. Parents of participants will be informed if cost changes before December 6th.
- Charges include trip cancellation and travel insurance provided by Nationwide Insurance. This insurance covers significant illness and injury prior to travel as well as catastrophic world events (political crisis, natural disaster, etc.) but has limitations. All the same, MKA must reserve the right to cancel any trip if, in the school's judgment, its students would be at risk by going. Naturally, the school would make every attempt to retrieve fares and other expenses in that event, but there remains the possibility that funds could not be refunded and insurance coverage would not be in force. The risk of monetary loss is borne by the trip participant.
