

Middle School 5th Grade Math Teacher Leave Replacement

Montclair Kimberley Academy, an innovative PreK-12 independent day school with a strong national reputation and a recognized 1:1 laptop learning program, seeks a full-time, Middle School Math teacher for the current school year beginning around mid-April 2023 through June 14, 2023. Primary responsibilities include teaching 4 sections of fifth grade math and serving as a co-advisor to a group of 16 students.

Qualified candidates will meet the following criteria:

- BA in Math Education or related field

Candidates should possess:

- Outstanding interpersonal, organizational, and communication skills
- The willingness to work as a member of a collaborative team
- The ability to integrate technology effectively into classroom instruction to enhance student learning

As guided by its Strategic Plan, MKA is committed to promoting multicultural education, grounded in ideas of equity, anti-bias education, anti-racism, and social justice. We see multicultural education as a process of inquiry, reflection, and engagement that honors students' narratives, provides a safe environment in which to explore and discuss multiple perspectives, and helps transform students and faculty, school culture and curriculum, community and society, and we seek candidates who share our commitment to this process. We encourage applicants from diverse backgrounds and with diverse perspectives, who can bring their own unique contributions to the MKA community.

Interested candidates should send or email a letter of interest and resume to:

Carlaina Bell, Ed.D.
