PLEASE NOTE THIS TRIP REQUIRES THAT YOU BE ABLE TO SWIM PROFICIENTLY AS WE WILL SPEND SEVERAL DAYS ON THE COLORADO RIVER.

Questions:

1. What is your experience level with outdoor adventure and/or camping? (No experience necessary to travel)

2. Do you have any potential scheduling conflicts that could impair your ability to participate fully in the program? (i.e. school activities, personal commitments, etc.)

 - Upon receipt of this form and acceptance of application, **you will be billed \$3,100**. Payment will be due on or by January 9th, 2018 in order to reserve a spot on this trip.
 - **Families have until December 8th, 2017 to withdraw from any trip without any penalty.** If you withdraw after this date for reasons not listed as a part of our insurance policy (see below) you may not receive a refund.
 - All students attending trips must have their accounts with the school in good standing
 - The final trip cost may fluctuate marginally due to currency exchange rate, the ongoing availability of quoted airfares, and the size of the group. Parents of participants will be informed of final cost before December 8th.
 - Charges include trip cancellation and travel insurance provided by Nationwide Insurance. This insurance covers significant illness and injury prior to travel as well as catastrophic world events (political crisis, natural disaster, etc.) but has limitations. All the same, MKA must reserve the right to cancel any trip if, in the school's judgment, its students would be at risk by going. Naturally, the school would make every attempt to retrieve airfares and other expenses in that event, but there remains the possibility that funds could not be refunded and insurance coverage would not be in force. The risk of monetary loss is borne by the trip participant.
