

Third Grade Home Learning Supply List

On days when students are learning from home, having the below supplies would be very helpful. If you already have these supplies at home, purchasing new items isn't necessary. As the start of the school year approaches, it is a great idea to gather these supplies in a box or storage container and set them up in your child's at-home learning space. Thank you for your help!

Checkbox	Supply
<input type="checkbox"/>	Extra pack of fine tip black dry erase markers
