I) "A" Level MS Teams

- Tryouts for all "A" level teams will be open to all students in grades 6-8.
- The most qualified athletes will make the "A" team, regardless of grade or previous year's team placement, after a pre-determined tryout period.
- Practices will be held Monday-Friday: 3:00pm - 4:00 pm.
- "A" level team will compete in a full interscholastic schedule.
- There will be a roster size cap number of total athletes on each "A" team.

II) "B" Level Teams

- Open to all athletes from grades 6-8 who do not make the "A" level team.
- Practices will be held 3-4 days a week; days may vary depending on game schedule(s).
- An interscholastic schedule will be utilized; however, total number of games will vary from sport to sport depending on which opponents have "B" level or comparable teams.
- "B" level teams *will not* have a roster cap number.

The best way for us to have the kind of quality program we all want for our student-athletes is to continue to work together. Please keep your respective coach informed of any conflicts that may arise as it pertains to practices and games throughout the season.
